

ELLIPSE STREAMING SPEAKER ENGINEERED TO PROVIDE VERSATILITY AND STYLE IN ANY ROOM

Meridian Ellipse is a new, high-performance, all-in-one, streaming speaker rigorously engineered to deliver Meridian's signature sound performance in any room.

Ellipse is meticulously crafted and hand-built in our factory in Britain to the same exacting standards as our flagship loudspeakers. Benefitting from twelve advanced and innovative Meridian technologies, Ellipse has a compact form factor which provides it with the freedom to be placed anywhere whilst ensuring a tailored and luxurious sound experience.

The **Bluetooth®** word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Meridian Audio Limited is under license. Other trademarks and trade names are those of their respective owners.

THE ELLIPSE AT A GLANCE

July 2024

TECHNOLOGIES

Twelve proprietary Meridian DSP technologies are employed to enable a tailored listening experience that sounds amazing in any room.

PREMIUM MUSIC INTEGRATION AND CONNECTIVITY

Integrates music and control with premium streaming services and supports connection with other sources.

CONSTRUCTION

Beautiful to look at, made in Britain, and undeniably Meridian, Ellipse is built using advanced techniques and materials.

EXTREME ENGINEERING

From the same multi-disciplined engineering program behind our flagship loudspeakers. True Meridian performance, distilled.

PERFORMANCE

Resolution, timing, bass cohesion and dynamic range are combined symbiotically to deliver Meridian's signature sound identity - authentic, lifelike, and natural.

CONTROL

Works seamlessly with streaming apps to ensure intuitive control. Uses the same integration with third-party control systems as existing Meridian products.

PERFORMANCE FACTS

| | |
|----------------------|--|
| FREQUENCY RESPONSE | • 40Hz – 20kHz (@ volume setting 65) |
